

Smart Board Teacher Application

Name: _____

Date: _____

All teachers interested in having a SmartBoard and projector set up in their classroom are strongly encouraged to complete this application. Please explain the vision you have for your classroom, students, and instruction through the use of the SMART Board and specific to your teaching.

The philosophy and expectations we have for best use include:

- ❖ The SMART Board being used 80% of the time.
- ❖ Students will have consistent access to the SMART Board.

Describe how you would best utilize and integrate the SMART Board into your class and subject area(s) effectively.

Describe how students will utilize the SMART Board as part of your class.

In-service will be provided before the board enters your room and support will be available throughout the year.

Technology staff and administrators will review all applications. Please feel free to attach your sheet in writing to this sheet. Please turn your application into your principal who will bring it to the next Tech Staff meeting. For questions contact Venus Dodson through e-mail at cbpsvmd@cutbankschools.net
